

Audible.com Downloading and Transferring to Players

- Audible Manager:
 - Go to go to audible.com in your browser and click on Sign in.
 - Enter your user name and password.

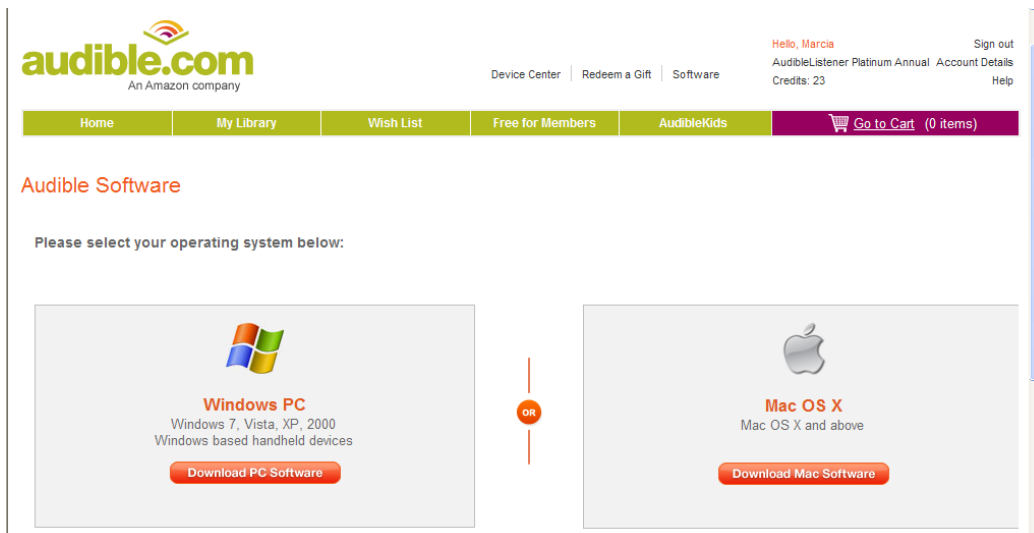

The screenshot shows the Audible.com homepage with the 'Sign In' section highlighted. The navigation bar includes 'Home', 'Browse Audio', 'What Is Audible?', 'Offer Details', and 'Go to Cart (0 items)'. The 'Sign In' section contains a 'Username' field with a link for 'Don't know your username?', a 'Password' field with a link for 'Forgot your password?', and a red 'Sign In' button. At the bottom, there is a link: '* Don't have an Audible account? [Create one](#)'.

- Click on Software

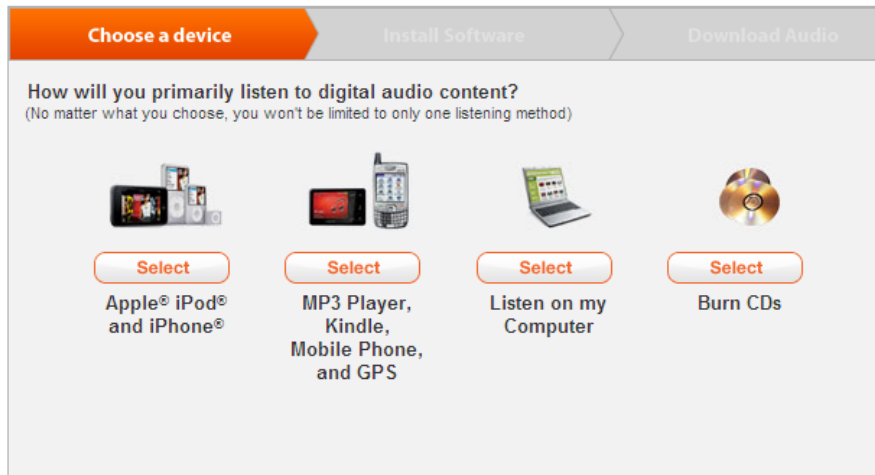

- Select your platform
 - PC users must have Windows Media Player v. 10 or higher installed.
 - Mac users must have iTunes installed.
 - **Note: These directions are for PCs only.**

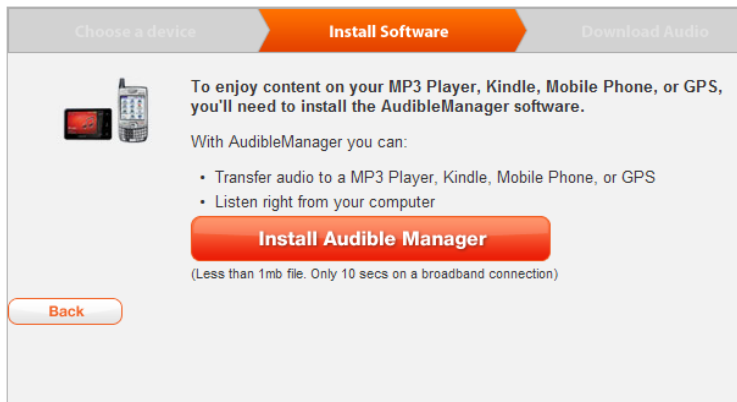

Audible.com Downloading and Transferring to Players

- You will be prompted to pick a device.

Please use the wizard below to install your software. It is a quick and easy on-line installation.

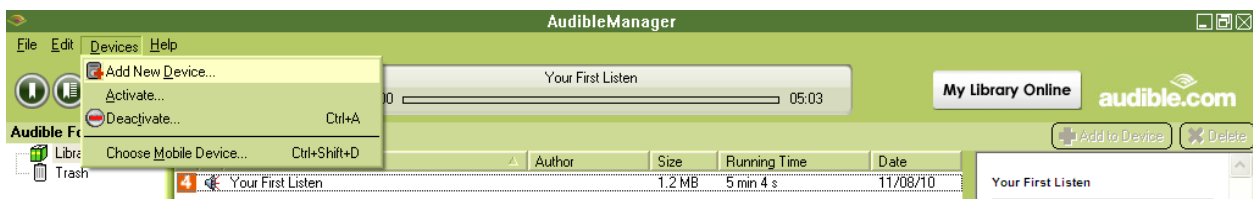

- Click on Install Audible Manager.
 - Note: There are Other Software Options. Tech savvy users may want to explore them.

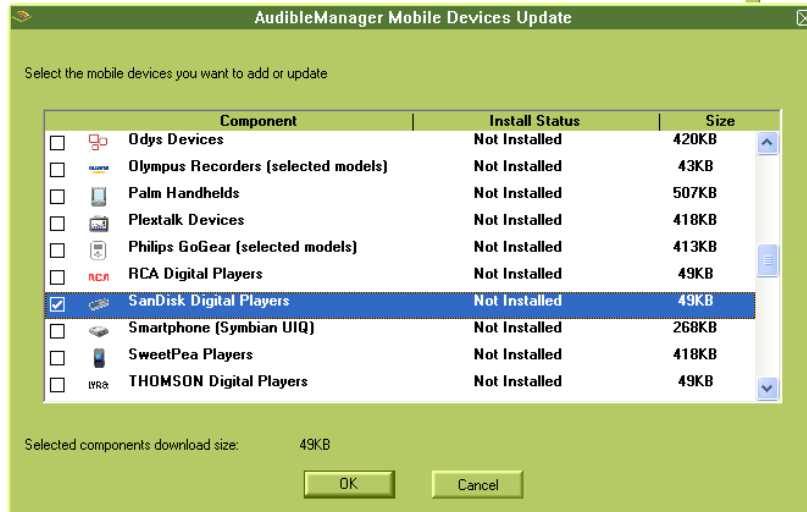

[Other Software Options](#)

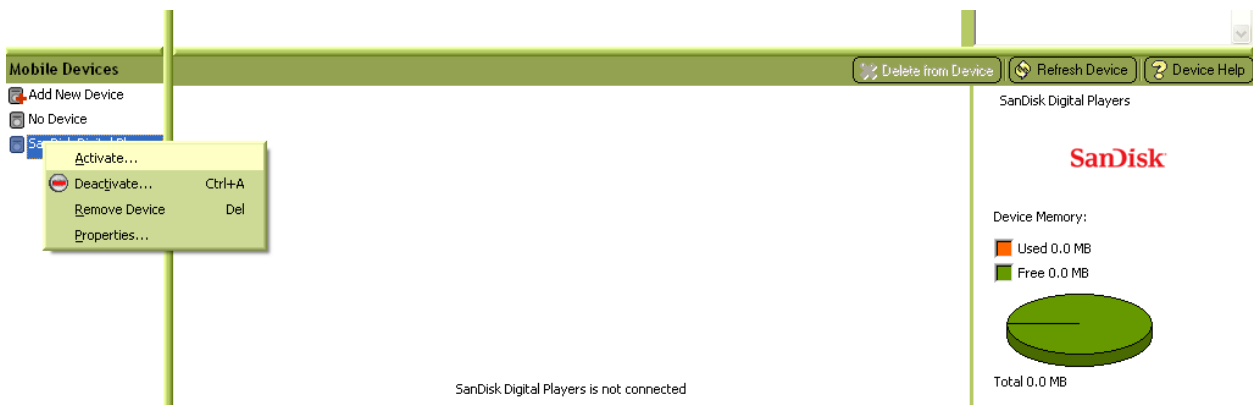

- Run the file and then Open it. Accept the license agreement.
- Pick your mobile device or pick No Mobile Device if you plan to listen to the content on your computer.
 - Note: You can always Add a New Device at a later time from the Device menu in the Audible Manager.

Audible.com Downloading and Transferring to Players

- Connecting a device:
 - Open Audible Manager.
 - Connect the device with the USB port on the computer. Your Windows operating system will recognize and install the player automatically.
 - Right click on the device in the left panel and pick Activate.

- Enter your Audible user name and password at the prompt.
 - You will see your device in the right-hand panel.
- Ordering books:
 - Go to go to audible.com in your browser and click on Sign in.
 - Enter your user name and password.
