

**NW BOCES Health Insurance Premiums
Monthly Cost of Additional Coverage**

Rates Effective: **7/1/23-6/30/24**

NW BOCES pays the individual premium, for employees working 20 hours per week or more, for health (PPO 8/\$5K Gap), dental and vision insurance.

The cost to NW BOCES of providing this coverage to employees is approximately:

\$745 per month.

New employees upon hiring can choose to increase coverage or add their spouse/children to health, dental and/or vision separately.

Existing employees can make coverage changes during the annual open enrollment period.

Below are the monthly rates for all of the different coverage options available to employees.
